"BEN-GURION EPILOGUE"

Special Appearance And Reception With Alon Ben-Gurion, Grandson of David Ben-Gurion

Compiled from six hours of newly discovered conversations with Israel's founding father, the film presents a rare and fortuitous piece of cinematic archeology. Offering hindsight on the Zionist enterprise, it is a work of undeniable historical significance with prophetic implications for Israel's future. Alon-Ben Gurion will share personal stories and recollections of his grandfather.

Winner, Best Documentary - Israeli Film and TV Academy Award, 2017.

SATURDAY, NOVEMBER 17TH
"AN ISRAELI LOVE STORY"

A passionate story of love and independence set in pre-state Palestine, Eli and Margalit are torn between their love for one another and where they see their own futures in the Jewish state. Based on the true story of the love affair between Israeli actress and director, Pnina Gari, and the reserved and ideological freedom-fighter Eli Ben-Zvi, son of Yitzhak Ben-Zvi the Second President of the State of Israel.

Heartwarming... Achieves a poignant power, a rare glimpse of everyday life in the postwar, pre-state years - J Weekly

SATURDAY, DECEMBER 1ST
"1945"

On a summer day in 1945, an Orthodox man and his grown son return to a village in Hungary while the villagers prepare for the wedding of the town clerk's son. The townspeople - suspicious, remorseful, fearful, and cunning - expect the worst and behave accordingly. The town clerk fears the men may be heirs of the village's deported Jews and expects them to demand their illegally acquired property back.

Winner, Yad Vashem Chairman's Award - Jerusalem Film Festival 2017

The 10th Annual Film Festival is possible in part thanks to a generous grant from Orange & Rockland Utilities.
 We wish to thank these additional sponsors: Adams Fairacre Farms, Eye Physicians of Orange County, Mid Hudson Retina Consultants, Seth Pulver - Rushmore Estate, SET Designs
